FABRIC REQUIREMENTS

Project size 20CM X 20CM | 8" X 8"

Fabric SKU	Fabric SKU	Metric	Yardage	Inches
------------	------------	--------	---------	--------

TO MAKE POTHOLDER

DV6385 50 X 55CM FAT QUARTER 19" x 21"

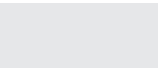

DV2600 50 X 55CM FAT QUARTER 19" x 21"

DV2307 50 X 55CM FAT QUARTER 19" x 21"

Alternate fabric option

2 x 8 1/2" squares of thermal interfacing (Insul Bright).
One square may be enough, a double layer adds more heat protection.

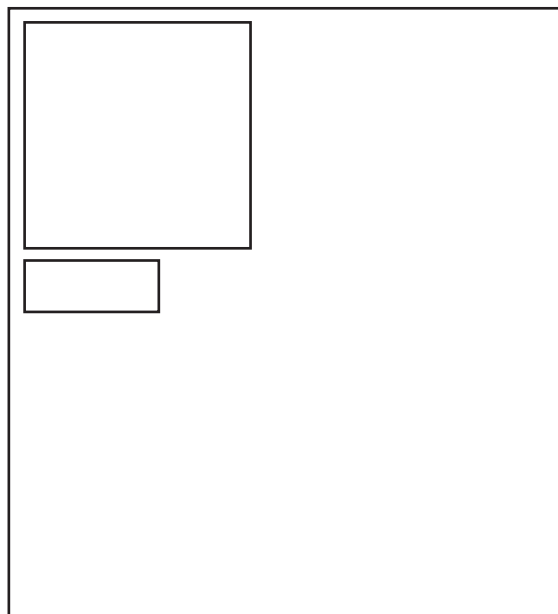

CUTTING INSTRUCTIONS

From 1 fat quarter cut:

- 1 8 1/2" (22cm) square.
- 1 2" x 4" rectangle

From a contrasting fat quarter cut:

- 1 8 1/2" (22cm) square.

PATTERN INSTRUCTIONS

Use a ¼" seam allowance throughout, unless otherwise stated.

Take the small rectangle for the loop and fold in half so the long edges meet, wrong sides together, open and fold either side into centre, fold in half, press and stitch along the long edge.

Take a thermal batting square and lay one fabric square on top right side up. Pin in place.

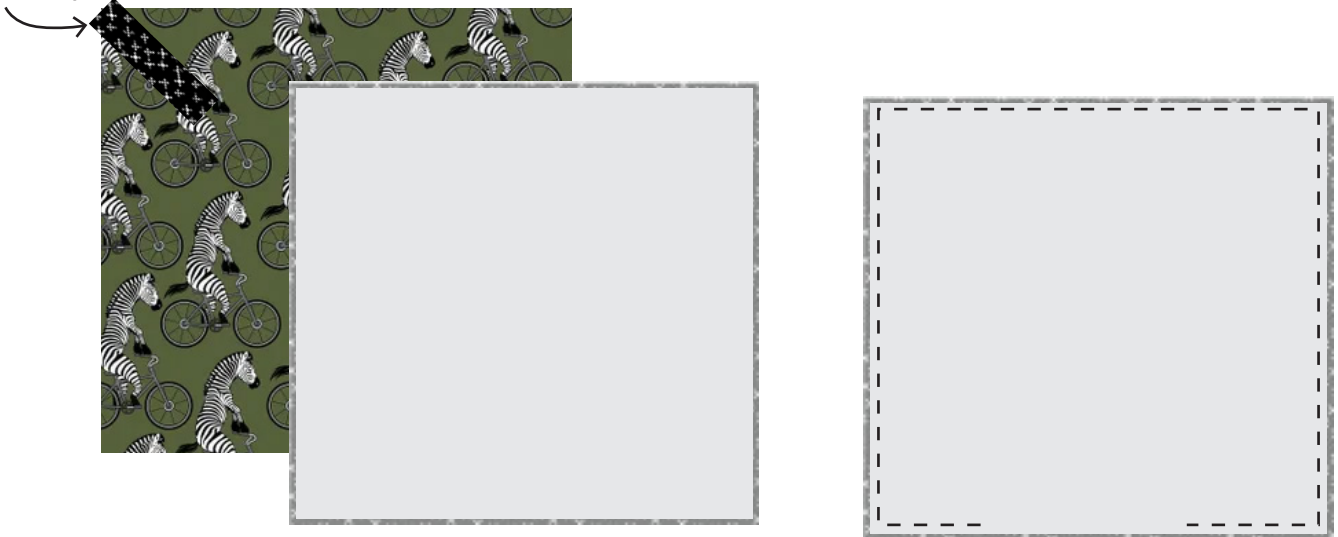

Place your fabric loop on top with raw edges overlapping the corner of the square slightly.

Take the second square and place on top right side down, pin in place.

Sew around the edge leaving a 2-3" gap for turning.

Snip any excess fabric from the corners

Fabric loop

PATTERN INSTRUCTIONS

Turn right side out by pulling the fabrics through the gap. Press and push the corners out.

Topstitch all around the edge and close the gap as you go.

Stitch a cross across your potholder diagonally, start and finish at topstich line with backstitch.

Your pot holder is ready to use!
