# PATTERN INSTRUCTIONS

**Please read through the pattern instructions in full before you commence sewing.**

**1/4" seam allowance is used throughout, unless otherwise stated.**

**Refer to the front cover quilt image for guidance on block layout and fabric placement.**

**Before you start sewing** assemble your fabric strips and squares according to colours you will use in your blocks. You will make 48 blocks in total. For each block you will need:

- Two contrasting 5" squares for the middle half square triangles
- One 3 1/2" square, one 10 1/2" x 3 1/2" strip and one 4 1/2" x 3 1/2" rectangle of the same colour
- One 3 1/2" square, one 10 1/2" x 3 1/2" strip and one 4 1/2" x 3 1/2" rectangle of a contrasting colour, or white fabric.

*Feel free to mix up the colours in your blocks to your liking. From the cutting instructions you can make up to 6 blocks per colourway.*

## Half Square Triangles

Make your 4" half square triangles following the instructions below:

Place 2 contrasting coloured 5" squares right sides together.

Draw a diagonal line from corner to corner. This will be your cutting line.

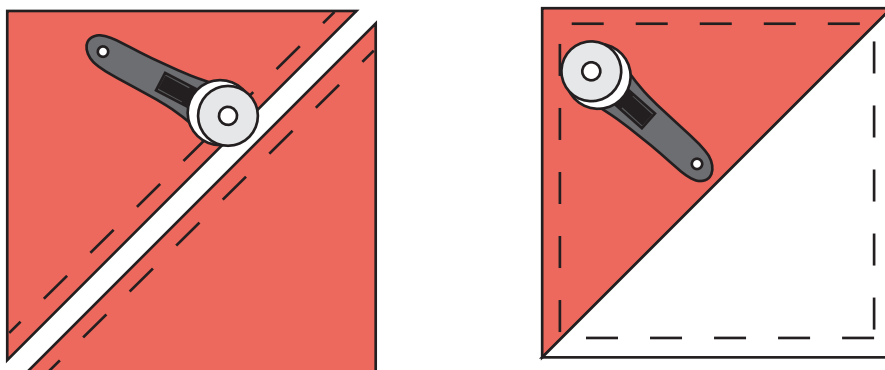

Sew the squares a scant 1/4" away along each side of the cutting line.

Cut in half diagonally along the drawn line.

Open and press the seam towards the darker coloured side.

Trim your square back to 4 1/2" x 4 1/2".

# PATTERN INSTRUCTIONS

Take your 10 ½" strips and match up a 3 ½" square along the top and mark a diagonal line corner to corner and sew along the line.

**NOTE: check the orientation of triangles for your block before sewing.**

*Lay your colours out to make sure your block pieces match up correctly before sewing.*

Join your block following the diagram below. Block should measure 10 ½" x 10 ½" unfinished.

Press your finished blocks.

# PATTERN INSTRUCTIONS

Sew your blocks together, making 8 rows of 6 blocks, mixing colours in each row for variety.

Press.

Layer your quilt top, wadding and backing and glue baste together. Quilt using your preferred method.

Sew your binding strips together end to end then add binding to your trimmed quilt to finish.
