## EVENT INFO

In 2015, Ange Wilson of [GnomeAngel.com](https://www.gnomeangel.com) asked quilters around the world to join her in sewing 1 quilt block a day for 100 days.

In 2023 it will be the 7th year the event has been held and the 1st year that the pattern *Maple & Eucalyptus: 100 Block Fusion Sampler* will be used.

Ange has partnered with Karen Brown of *Just Get It Done Quilts* to design a quilt pattern that is a skill builder taking participants from being new timid quilter to strong confident patchworkers!

## THE FABRIC

In 2023, for the first time ever, Ange has partnered with *Andover Fabrics* bringing their *Century Solids* range to life in this stunningly vibrant rainbow.

Using 22 of these fabrics, quilters will stitch up this amazing colour progression while improving their skills.

# THE PATTERN

In 2023, the pattern "Maple & Eucalyptus: 100 Block Fusion Sampler" will be available in hard copy for wholesale purchase directly from Ange Wilson at GnomeAngel.

The pattern consists of 68 pages of high gloss quality printed technically edited pattern. The pattern is designed to be durable and to last the 3 years it will be used for #100Days100Blocks.

The pattern contains all the information that a confident beginner needs to make the quilt. Including the conversion charts for using From Marti Michell Perfect Patchwork Templates.

## about karen

I'm a quilter, crafter, mother, wife, daughter, businesswoman but not necessarily in that order. I love to make things and like nothing better than checking things off the list. I like trying new things, finding short cuts and new ways of using old things.

## about JGID

Karen has built a significant YouTube audience through the simple approach of "helping quilters get it done". She is a champion of helping quilters make quilts they can be proud of through using what they have where they are.
