COSMIO

hidamari sashiko

Hidamari means “sunny spot” in Japanese, and Cosmo Hidamari sashiko threads are sure to bring brightness and warmth to crafting. Introduce your customers to these beautiful threads with a Cosmo Sashiko Case Pack Assortment, and receive a bonus pack of Cosmo Sashiko brochures and thread samples, just the thing to inspire your customers!

hidamari sashiko case pack

LC1008889

Contains 2 x 20mt spools of the complete range of 40 threads, including solids, variegated and speckles! 80 spools total.

LC4345

Sashiko methods differ with individuals. This assorted pack of 6 needles in 4 different lengths accommodates a variety of projects. All needles have a larger eye, making them easier to thread.
