# WILLOWBROOK market garden STAR QUILT

Fabrics Required ~ Willowbrook Market Garden Panel, 10x Fat 1/8's of Coloured Prints for Stars,  
Fat 1/8 print for Cornerstones, Fat 1/8 print for Flying Geese, 70cm Red/Cream Spot for Sashings,  
75cm Pink Spot for Border, 1m Cream Spot Background ~ Finished Size: 47½" x 57"

# CUTTING

- Trim picture panel to: 20,  $4\frac{1}{2}$ " squares  
 From cream spot, cut: 80,  $4\frac{1}{2}$ " x  $2\frac{1}{2}$ " rectangles (star background)  
 80,  $2\frac{1}{2}$ " squares (star background)  
 From each of 10 coloured prints, cut: 16,  $2\frac{1}{2}$ " squares (star points)  
 From red spot fabric, cut: 49,  $8\frac{1}{2}$ " x 2" pieces (sashing)  
 From yellow pears, cut: 30, 2" squares (cornerstone squares)  
 From cream bee print, cut: 12,  $2\frac{1}{2}$ " x  $4\frac{1}{2}$ " pieces (border flying geese)  
 From pink spot, cut: two  $35\frac{1}{2}$ " x  $4\frac{1}{2}$ " pieces (side border A)  
 two  $8\frac{1}{2}$ " x  $4\frac{1}{2}$ " pieces (side border B)  
 two  $30$ " x  $4\frac{1}{2}$ " pieces (top/bottom border A)  
 two  $12\frac{1}{2}$ " x  $4\frac{1}{2}$ " pieces (top/bottom border B)  
 24,  $2\frac{1}{2}$ " squares (border flying geese)

*Seam allowance is included in measurements given*

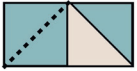

# STAR BLOCKS

On the back of the coloured  $2\frac{1}{2}$ " squares, rule a diagonal line from corner to corner. 

Place one of these squares, right sides together, with one of the cream spot  $4\frac{1}{2}$ " x  $2\frac{1}{2}$ " pieces, at one end of the rectangle. 

Sew a needle-width outside the marked line.

Cut away the excess fabric,  $\frac{1}{4}$ " outside the sewn line. Fold back and press. 

Align a second small coloured square on the opposite end of the rectangle, so that the diagonal line makes a point at the centre. Sew a needle-width outside the line. Trim and press back. Make 4 of these. 

Sew two of the rectangles to two opposite sides of a  $4\frac{1}{2}$ " picture square, so that the star points, point out from the centre. 

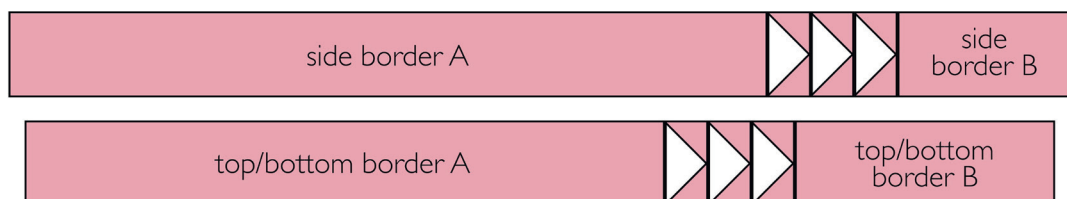

Sew  $2\frac{1}{2}$ " cream spot squares to the ends of the other two rectangles. Then sew these to the remaining sides of the block. 

Make 20 star blocks. Join star blocks into five rows of four, with sashing pieces between.

Sew sashing into rows with a cornerstone square between. Insert between rows.

Use the same method for side portion of the star blocks, to make the Flying Geese blocks, with the  $2\frac{1}{2}$ " x  $4\frac{1}{2}$ " cream bee print and the pink spot  $2\frac{1}{2}$ " squares. Make 12 blocks.

Sew these together in four lots of three. Insert into the pink border pieces as shown:

Sew on side borders first, then top and bottom borders. Follow the colour picture for placement direction.
