

ALL YOU NEED TO KNOW ABOUT OUR COTTON POPLIN

- 100% COTTON
- 120GSM
- 147CM WIDE

Poplin is a lightweight, lustrous, breathable fabric suitable for spring and summer clothing and home décor items. Soft, light, and cool with a fine, tightly closed weave, it combines the strength and durability of the poplin weave with all the benefits of cotton. Poplin is durable and easy to maintain while offering comfort, and an appealing, smooth texture.

To sew cotton poplin, use a universal or standard-sized needle (80/11 or 80/12) and all-purpose thread.

Prewash cotton poplin to avoid shrinkage. You may wish to prewash before sewing. To care for your cotton poplin makes, wash on a gentle cycle with a mild detergent. Avoid using hot water and high heat when drying.
