

ALL YOU NEED TO KNOW ABOUT OUR LINEN COTTON

- 55% LINEN 45% COTTON
- 185GSM
- 145CM WIDE

Linen is known for its luxurious feel and beautiful drape, while cotton is renowned for its softness and versatility. When combined, linen and cotton create the perfect blend of comfort and style. Linen's moisture wicking and breathable properties complement cotton's softness and versatility, resulting in a durable fabric that offers the best of both worlds. Linen cotton blend is lightweight and airy, making it ideal for summer clothing.

To sew jersey use a 70/10, 80/12 or universal needle and a cotton thread.

Prewash linen cotton blend to avoid shrinkage. Wash gently in cool or lukewarm water with a mild detergent and dry naturally or gently with low heat.
